Recommendation for Mr. Kyrre Sundal

Mr Kyrre Sundal is student of Architecture at the School of Architecture in Århus, Denmark. I have made use of his great knowledge of using computers in various aspects of architectural tasks. As such I have had great benefits of this by using him as a tutor in courses in ArchiCAD and in InDesign.

He has showed himself to be an engaged person taking great responsibility in the work done. As a person he is very nice and easy to work with.

Therefore it is a pleasure for me to sent my best recommendations.
